Tutor: Kath Brown

This course is suitable for parents, carers, childminders and students who are interested in language development for the under 5s . Kath has a wealth of experience with young families and her relaxed and friendly sessions will help mums, dads, grandparents, childminders and other carers to listen and respond to their younger family members.

Limited crèche places may be available or help with childminding costs. Please let us know if you need help with this when enrolling.
